

Go-Kart Lift

800-854-3140 / 503-304-8899
www.FunPartsXpress.com

The Go-Kart Air Lift has a lifting capacity of 1000 lbs. and an 80" x 24" deck, making it ideal for working on go-karts, motorcycles, ATVs, snowmobiles, garden tractors, etc. It raises to a working height of 30" and lowers to 7" for easy loading. The lift is a solid steel fabrication and is powered by a pneumatic cylinder from your air source (90-100 psi.) Can be used with or without accessories. W:24" x L:80". CE Approved. MADE IN USA.

Easy, all-around access for vehicle repair. Finish your work quickly and comfortably.

- Change tires
- Work on brakes
- Tune engines
- Change oil
- Clean
- Tear-down or assemble vehicles
