# Pit Message on DVD!

Part# 1-60-0105  
\$50.00

Don't rely on garbled audio to give important safety information the emphasis it deserves. Get your message across via video!

What Is It?

A DVD Pre-Ride Briefing with video, graphics, text and audio. This high-energy, graphically enhanced DVD is designed to grab your customers' attention and outline track rules and regulations. This 3 minute and 45 second presentation can be set to repeat or play through on command.

It includes:

- Visual demonstration of ride rules.
- Audio briefing of the ride rules.
- Text message of the ride rules.
